If you are interested in learning more about these K-series funding opportunities, please contact Heidi Harbach Tham (hharbach@fredhutch.org) - your GMaP Region 6 Regional Coordinator.

Mentorship Program Available!

GMaP Region 6 is home to numerous seasoned cancer health disparities researchers who have a wealth of experience in writing and conducting grants. Feedback from such experts can be invaluable to early stage and new investigators submitting a competitive grant application. We encourage all those interested in having their career development proposals reviewed by a senior investigator to contact Heidi Harbach Tham at hharbach@fredhutch.org.
